

Rajan Bahadur
CEO, Tourism & Hospitality Skill Council

An extensive industry exposure of over 30 years, has credited Mr. Bahadur with rich management experience and strong leadership skills from across sectors such as Hospitality, Financial services, Travel and Tourism and FMCG.

A graduate from St. Stephen's College, Delhi, Mr. Bahadur completed his post-graduation in Business Management from Kolkata University. He has managed large cross-cultural teams across national and global platforms covering a wide range of senior positions in sales, marketing, PR, communication & general management.

A highly motivated individual with strong commercial acumen and inherits people leadership quality; he has repeatedly demonstrated ability to build high performance teams across both Corporate and Social Sectors that he has been associated with. His passion and motivation stems from creating solutions to leverage opportunities presented by market needs.

His well-established relationships in the corporate world as well as with Government bodies are a result of his hard work and splendid communication skills. His previous assignments include being MD & CEO for CARE India, COO of Unison Hotels, MD at Lebua Hotels & Resorts, Regional Director (South Asia) - Sales, Marketing, PR & Communication at Starwood Hotels & Resorts, National Sales head with Oberoi Hotels and Resorts, and Director at American Express - Travel related services to mention a few.

He is extremely passionate about creating business solutions, making most of the opportunities presented by the market, delivering on stakeholder's expectations, reaching customer commitment targets and enhancing employee engagement goals. His motto in life is to build capacity and bring change that can make lives better.
