

Reto Ringger
Founder and CEO, Globalance Bank

Reto Ringger is an entrepreneur who is active at the junction between the financial markets and sustainability. In 2011 he founded Globalance Bank Ltd., which today he leads as its CEO. Globalance Bank is an owner-run Swiss Private bank and is specialized in sustainable investments. Before starting Globalance Bank, Reto founded SAM Group 1995. In collaboration with Dow Jones, SAM launched the Dow Jones Sustainability Index (DJSI). Reto Ringger has received various awards for his entrepreneurial activities. Reto Ringger holds a degree in economics (lic. oec. publ.) from the University of Zurich. From 2012 - 2018 he was a member of the Executive Committee of the Club of Rome and was Chairman of the Board of Trustees of WWF Switzerland from 2012 - 2016.
