

Protection concept of the Kameha Grand

Arrival & general hotel procedures

- Arrival through the main entrance or parking garage
- Non-touch dispenser to disinfect the hands at the main entrance
- Revolving door with single cabins and an additional door at the main entrance will make sure that the guests don't pass along the same way
- Before entering the lobby, in the lobby and in the bar and restaurant area further possibilities to disinfect the hands will be given
- The reception desk will have 1-2 working stations with enough space your queuing
- On getting to your room guests might take the stairs, elevators are to be used by 3 people only

Refreshments & Meals

- Disinfection stations are available right next to each buffet
- Dinner & lunch can either be a plated menu or buffet food stations providing complete meals
- Breakfast will be on buffet stations
- Guests breakfast times can be staggered, if wished
- Coffee breaks can be offered in buffet style or snacks & beverages will be served in the meeting room
- The bar is not available

Meeting

- Registration in the carriage passage in rows - guests may wear masks and have to keep their distance
- Meeting in the Kameha Dark and Dome: 2 doors / 2 entrances/exits will be in use and there will be signage clearly stating one way systems
- Depending on the set up style, guests and hotel staff may wear masks, if wished by the organizer
- Disinfectant will be provided in the meeting area and the seats will be disinfected before each group
- Meeting rooms can be furnished generously to allow distance between the participants
